CONDITIONS OF SALE

Prices are not guaranteed for any period of time and we reserve the right to change them as conditions require. Reasonable notice of any changes in prices shall be given purchaser before shipment.

Prices on all orders accepted are subject to addition thereto and payment by the buyer of price increases resulting from the following conditions:

- (1) Sales taxes or any additional costs due to State or Federal Legislation;
- (2) Strikes, fires, accidents, material and labor increases or any other factors beyond our control.

Our production and shipping schedules are conditional when the following factors exist:

- (1) Ability to secure adequate and suitable raw materials;
- (2) Strikes, fires, accidents or any other factors beyond our control.

If impossible to ship orders complete, we reserve the right to make several shipments until order is completed, unless notified to the contrary.

We are not responsible for delays or damages in transit and merchandise in transit is at the buyer's risk. Our terms are not affected by such delays.

All of our products are guaranteed against defects in material or workmanship. In case of any defective part or parts, we reserve the right to replace only the necessary part, do not return the complete product.

All orders or contracts are subject to acceptance of our home office.
